To ensure the integrity and image of cycling, the UCI has identified several categories of sponsors with whom stakeholders, including teams, may not be associated (directly or indirectly). Thus, article 1.1.089 of the UCI Regulations provides that:

“Without prejudice of the applicable law, no brand of tobacco, spirits, pornographic products or any other products that might damage the image of the UCI or the sport of cycling in general shall be associated directly or indirectly with a licence-holder, a UCI team or a national or international cycling competition.

As defined in the present article, a spirit is a beverage with a content in alcohol of 15% or more.”

In addition, article 1.1.090 of the UCI Regulations lays down certain conditions in relation to sponsorship by betting companies (including national lotteries). These conditions protect the integrity of cycling by reducing the risk of collusion and ensuring that visibility on cycling events is exclusively granted to betting operators whose activity does not cause a risk to the integrity of the sport.

The team seeking sponsorship by a betting company shall provide documentation establishing compliance with the conditions laid down in article 1.1.090 of the UCI Regulations with its request for registration before the UCI (the same applies in case the sponsorship is considered after the registration has been confirmed). We invite you to read this article carefully and remain at disposal.

LIST OF STAFF MEMBERS - 15 JANUARY 2022

There are two different sections in this task: list of licensed staff and list of non-licensed staff. All staff members contracted by the team, including on a temporary basis, licensed or non-licensed, must be registered in one of both lists.

Staff members who have a management role (Team Manager, Assistant Team Manager) must be licensed. We recommend that other staff members are licensed, but it is not mandatory.

Function	UCI ID	Last name	First name	Nationality	Date of birth	Gender
	100 025 943 28	REILLE	Christelle	FRA	05 Aug 1974	Female

Team Manager and Assistant Team Manager are pre-filled-in from the current season on the list of licensed staff. Staff members who will not be contracted for the 2022 season can be removed from the list by clicking on the “X” button at the end of the line.

For each staff member, please open the individual line and fill-in and/or check the requested information. Please make sure to select the function which best fits the role of the staff member. You can then detail the different tasks of the staff member in the related field.

In order to add a staff member in the list of licensed staff, you can search the licence holder in the corresponding field or proceed with an advanced search.

The advanced search feature can help you in case there are several people with the same name. We kindly invite you to check the current licence of the person, on which the UCI ID is indicated. You can then select the correct person and add them to the list.

If a person doesn't exist in the database after having searched, we kindly invite you to contact the relevant National Federation, that will be able to issue the correct licence. A UCI ID will then be created, and the person will be available in the database.

The UCI is well-aware that some functions don't require a licence to be issued. In this case, we kindly invite you to select the list of non-licensed staff. In this one, you cannot search in the database, as these staff members do not have a licence and thus do not have a UCI ID. You will have to create a new contact and fill-in standard information.

Afterwards, you will be able to fill-in the contract and role information, same as for a licensed staff member.

Once the staff members are added to both lists, please make sure to submit both of them before the deadline.

JERSEY DESIGN - 15 JANUARY 2022

A **.pdf** document must be submitted, showing the jersey design.

The maximum file size is 3MB. Should you have different jersey designs for Men and Women, please upload only one document with both jerseys included

LIST OF RIDERS - 15 JANUARY 2022

The list of riders is prefilled-in from the previous season. For each rider, please open the individual line and fill-in or check the requested information.

The screenshot shows a web interface for managing riders. At the top, there is a header "1. List of riders" with a "DRAFT" status. Below this is a search bar for "RIDER'S NAME OR UCI ID" and an "ADVANCED SEARCH" link. A table lists riders with columns for UCI ID, Last name, First name, Nationality, Date of birth, and Gender. One rider is listed: UCI ID 100 072 599 27, Last name SUTER, First name Gael, Nationality SUI, Date of birth 23 Mar 1992, Gender Male. Below the table is a form for editing the selected rider's information. The form includes fields for LANGUAGE, MOBILE PHONE, PERSONAL EMAIL ADDRESS, FORMAT, CONTRACT START DATE, and CONTRACT END DATE. There is also a "CONTRACT" section with a "Select pdf file ..." button. At the bottom of the form, there are "SAVE AS DRAFT" and "SUBMIT" buttons.

Please make sure to fill-in all the information related to the riders’ contract.

The number of riders per team is regulated as follows:
