

ANNEXE 1: SPONSORS

Form to be filled in by teams

SPONSORS OF THE TEAM

For the sake of clarity, it is specified that this Appendix applies to all team sponsors and not only to the main sponsors.

I. Excluded categories

- ☐ The team certifies that it is not directly or indirectly associated with any brand of tobacco, spirits (alcohol content equal to or greater than 15%), pornographic articles or other products likely to damage the image of the UCI or cycling in general.

Teams are respectfully asked to request the opinion of the UCI before signing a contract which could reasonably be in breach of article 1.1.089 of the UCI Regulations.

Comments

II. Betting companies (including national lotteries)

- ☐ No sponsor of the team is a betting company.
- ☐ One or more of the team's sponsors is/are a betting company.

The following sponsor(s) of the team is/are a betting company:

☐ **Option A**

- The betting company refrains from organising bets on events in which the team participates, and
- If the betting company organises bets on other cycling events, it shall comply with the list of authorised bets of Annexe A of Part I of the UCI Regulations.

Note: these commitments are compulsory in the event the betting company is entitled (through ownership of shares or contractually) to take part directly or indirectly in the management or decision-making of the team.

Comments

☐ **Option B**

- The betting company organises bets on the events in which the team takes part, and
- The betting company shall comply with the list of authorised bets of Annexe A of Part I of the UCI Regulations.

Comments

For each betting company mentioned above, the team confirms that:

- ☐ The betting company is affiliated with the national monitoring authority responsible for sport bets (and other betting and gambling, as the case may be) and holds a licence to organise bets on cycling events, if applicable¹.
- ☐ The sponsorship contract explicitly prohibits the betting company from:
 - collecting insider information and/or any other information that could be used to manipulate a cycling event and
 - participating in any decision of a sporting nature.

Comments

¹ In the event that there is no national monitoring authority and/or licensing system in the country of the betting operator, the UCI may authorise such sponsorship provided that the betting operator is contractually affiliated to a monitoring agency approved by the UCI and which agrees to provide report to the UCI.

Documents to provide

The team wishing to be sponsored by a betting company must provide the following documents with its application for registration with the UCI:

- A statement dated and signed by the betting company indicating:
 - Option A: that it shall not organise any bets on the events in which the team takes part. If it organises bets on other cycling events, it shall comply with the list of authorised bets of Annexe A of Part I of the UCI Regulations; or
 - Option B: that it shall organise bets in relation to events in which the team takes part and that any such bets shall comply with the list of authorised bets of Annexe A of Part I of the UCI Regulations.
- Official document dated and signed by the national monitoring authority indicating that the betting company is affiliated to it and holds a valid licence at the time of team registration.
- In the event that there is no national monitoring authority and/or licensing system in the country of the betting operator, the team must provide:
 - An official document certifying that the betting operator is affiliated with a monitoring agency. The latter must be approved by the UCI; and
 - A statement dated and signed by the betting operator indicating that it agrees to submit any report to the UCI.

Sanctions

A breach by the team of articles 1.1.089 and 1.1.090 of the UCI Regulations may be sanctioned by a refusal or withdrawal of the registration, a refusal to start and/or a fine of CHF 5'000 to 500'000 (article 1.1.091 of the UCI Regulations).
