3.2 Overall ranking

The points (see point schemes XCC, XCO and XCO Heubach) from the individual races XCO and XCC will be added for the overall ranking.

A joint list of elite and U23 is created in which U23 are marked visible and thus an overall ranking is apparent. This includes the XCC result from Krumbach and a maximum of 4 XCO races.

The XCO race in Heubach gets a special role because of the HC status and its own U23m race. The points will be scored with 150%. The result points from the corresponding age group which is driven (Elite or U23), are added to the overall standings.

Participation in the overall winner's ceremony is a prerequisite to claiming the overall prize money. Exceptions may be approved by the coordinator MTB or representative upon request, which must be received by the day before.
